# WAR AVERTED BY CARRANZA, CAPITAL VIEW; NOTE IS HELD "MORE THAN CONCILIATORY"

Further Interchange Looking to Joint Efforts to Prevent Border Raids Expected - Demand for Withdrawal of Troops Not Renewed.

WASHINGTON, July 5.-The crisis between the United States and Mexico virtually came to an end to-day when a friendly and conciliatory note from the de facto Government was handed to Secretary Lansing and promptly communicated to President Wilson.

There is no doubt in the minds of officials that the way has been opened for an amicable adjustment of the dispute as to the border situation which brought the two Governments to the verge

Secretary Lansing gave the impression that Gen. Carranza's suggesand that there is no pending question between the Governments which annot readily be answered by friendly negotiation meets with quick mpathy here.

is expected to begin immediately, looking to joint efforts to curb border bandits and other irresponsible agencies that have ernments.

High officials were much impressed by the complete change in tone shown in Gen. Carranza's note. It was described by one as "more than conciliatory." There seemed to be no disposition to doubt that the United States on its side would be willing to Chauffeurs Found They Made arrange for the early withdrawal of the expeditioary force from Mexico.

With more than !50,000 regulars and National Guardsmen soon to be available for border patrol work, the necessity for keeping Gen. Pershing's columns any great distance beyond feurs of the Fifth Avenue Coach the line has lessened, according to Company was announced to-day by many officials. #### RYNDAM STRIKES ROCK; HAS HOLE IN FOREPEAK

Holland-America Liner From New York Reaches Rotterdam After Accident Near Kirkwall.

ROTTERDAM, Holland, July 5 (via London, 5 P. M.)-The Holland-America Line steamship Ryndam, which left New York June 17 bound for this port via Falmouth, arrived here yesterday with a hole in her forepeak caused by hitting a rock near Kirkwall.

The accident happened in a dense fog while the steamer was going slowly. There were no casualties, Hold No. 1 was flooded, but the vatertight bulkheads kept the other holds dry. The Ryndam does not show any visible damage. Divers are examining the ship. After the cargo is unloaded the vessel will be placed in drydock on Thursday morning. The extent of the damage to the cargo has not yet been established. The sailing of the Ryndam for New York, scheduled for Saturday, will be postponed for some days.

FRENCH MAKE BIGGEST GAIN: CAPTURE STRONG POSITION THREE MILES FROM PERONNE

Paris and London Both Claim Successes in To-Day's Official Reports -Berlin War Office Says Allies Obtained no Material Advantage.

#### GERMANS FROM VERDUN FIGHTING AGAINST BRITISH

Official reports from both Paris and London to-day indicate additional gains by the French and British in the great drive begun last Saturday.

In very heavy fighting the French troops made considerable headway to the north and south of the Somme River. According to the Paris report they carried two lines of trenches on the north bank of the river. On the south bank they captured Sormont farm, about three miles from the important railroad town of Peronne.

London is less specific in reporting the British gains, nerely announcing "lurther progress at certain im points." The defeat of German attacks near Thiepval is

London estimates of the German loss to date is 60,000

Berlin officially admits that the Allies are pushing their great offensive but the war office declares no serious advan tages have been gained.

London reports that German units, hastily withdrawn from Verdun, now confront the British, but Paris announces terrific attacks by Germans on both sides of the Meuse Berlin claims that French attacks at Verdun were repulsed.

Berlin claims that Bavarian troops under Prince Leopole have repulsed the Russians near Baranovitschi, but Petro-
